## Matching Matrix

*Parquet*

| Shades in ( ) are not always necessary (depending on the surface area). Notice that they change the colour so much that you only need a very small amount of it.<br>For the grains: use a little more or even only the darker brackets. |            |                 |                      |                      |                      |                      |
